I look at your picture  
I'm nothing but blue  
I'm hearing you whisper  
The way you used to do  
And I can't stop wondering  
Just how things might have been  
No I'm nothin' but blue

My life has no rhythm  
Somehow it's out of tune  
I keep trying to tell them  
We'll be seeing them soon  
But the truth keeps rushing back  
Guess you know what I mean...  
No I'm nothin' but blue

No use in crying - that ain't what you would do - no  
Living or dying - we'll just keep on fighting through

No I can't stop my wondering  
'Bout all those things that might have been  
No I'm nothin' but blue  
Nothing...  
Nothin' but blue
