Hey  
I'm on my way up  
Can't put me down  
Business is tough  
I ain't gonna get pushed around  
I'm on my way  
Gonna take this town  
It's gonna be mine all mine, it's my time  
I'm on my way (on my way up)  
Straight to the top (I'm telling myself)  
Oh I'm telling myself (I'm totally sussed)  
I'm putting my name around  
On my way up  
(On my way up) Gonna get that rhythm  
Got positivism to give 'em

I'm on my way through  
Where I'm going to  
You wouldn't believe  
But I'll make it I'm telling you  
I'm on a roll  
Gonna have it all  
It's gonna be fine so fine, baby all the time  
I'm in control (on my way up)  
I'm mighty bold (I'm telling myself)  
I'm looking good (I'm totally sussed)  
I'm quitting the neighbourhood  
On my way up (yes I am)  
(On my way up) Gonna get right with 'em  
Got all of my life left for living

Nobody gonna tell me no  
Nobody gonna stop me so  
Everybody gonna see me grow  
Nobody gonna hold me down  
Gotta get to be better place  
Gotta wake up and see your face  
Gotta hold on  
Move on  
Go through that wall

It's my life or it's nothing

Our life or it's nothing at all

I'm on my way up, yeah  
Better come with me, lets go

I'm on my way (on my way up)  
Yeah, gonna get it right (I'm telling myself)  
Oh I'm telling myself (I'm totally sussed)  
Gonna make it this time around  
On my way up  
(On my way up) gonna get that rhythm baby  
(On my way up) gonna start that living baby  
(On my way up)  
Got all of my sights set on heaven

Ain't no stopping me now...
