(instrumental to open)

Tonight, tonight, won't be just any night,
Tonight there will be no morning star
Tonight, tonight, I'll see my love tonight.
And for us, stars will stop where they are.

Today the minutes seem like hours,
The hours go so slowly,
And still the sky is light

Oh moon, grow bright,
And make this endless day endless night!
Tonight

(instrumental to begin)

Today, the world was just an address
A place for me to live in
No better than alright

But here you are,
and what was just a world is a star
Tonight!!!
