Oh babe I was feeling so horny  
The night became a porn movie  
Your performance was phoney  
Auf Wiedersehen bitch.

Driving in a hired van  
Down the autobahn  
Flat out doing 82  
We got out for some sour kraut  
And a walk about  
Then the devil came into view

She must have smelled my money  
Cause her nipples were hard  
It only took a week before she maxed out my card

Kicked her off in DÃ¼sseldorf  
Then her next day off she appeared in Tokyo  
Even though she was just a ho  
I could not let go  
She wouldn't listen to me when I said

Oh babe I was feeling so horny  
The night became a porn movie  
Your performance was phoney  
Auf Wiedersehen bitch  
Back off don't u try to control me  
I'd rather die and be lonely  
Got my hands to console me  
Auf Wiedersehn bitch

She licked my man  
Like it was marzipan  
Like a German can  
It was sehr gut, Danke Shon

Things went bad cause she went mad  
She even told my dad  
When she saw other girls hanging around

She's only here on Wednesday

And she thinks she's my wife  
Went rooting through her hand bag  
Shit myself there's a knife.

\*scream\*

Oh babe I was feeling so horny  
The night became a porn movie  
Your performance was phoney  
Auf Wiedersehen bitch  
Back off don't u try to control me  
I'd rather die and be lonely  
Got my hands to console me  
Auf Wiedersehn bitch
