#### **"Less Talk"**

Everytime I try to run  
I'm sinking from the rising sun  
Like everything I've ever done

Watching from across the street  
Staring in my own defeat  
And I don't really care, no no no

Less talk, I'm not a preacher  
I'm no good, still a believer  
I'm not made to be a leader  
If I'm not dead then I'm still trying

Don't call I'm not a healer  
Want no good, repeat offender  
Here's no place to try and get better  
But I'm not dead so I'll keep fighting on

(Less talk)  
(Less talk)  
(Less talk)  
(Less talk)

I was like a loaded gun  
Exploded out on every one  
Attracted to the easy way out

I wonder was I ever loved  
By anything or anyone  
I wonder why the hell I'm here at all

Less talk, I'm not a preacher  
I'm no good, still a believer  
I'm not made to be a leader  
If I'm not dead then I'm still trying

Don't call I'm not a healer  
Want no good, repeat offender  
Here's no place to try and get better  
But I'm not dead so I'll keep fighting on

(Less talk, less less le-less talk)  
(Less talk, less less le-less talk)  
(Less talk, less less le-less talk)  
(Less talk, less less le-less talk)

(Less talk, I'm not a preacher  
I'm no good, still a believer  
I'm not made to be a leader  
If I'm not dead then I'm still trying)

Less talk, I'm not a preacher  
I'm no good, still a believer  
I'm not made to be a leader  
If I'm not dead then I'm still trying

Don't call I'm not a healer  
Want no good, repeat offender  
Here's no place to try and get better  
But I'm not dead so I'll keep fighting on

(Less talk)  
(Less talk)  
(Less talk)
