I wasn't perfect
I've done a lot of stupid things
I'm still no angel
I wasn't looking for forgiveness
Wasn't laid out by my pride
Shocked by her attention
And someone signed me up for love
I didn't want it
And now I can't live without it

She changed my life
She cleaned me up
She found my heart
Like only a woman can
She pulls me up
When she knows I'm sad
She knows her man
Like only a woman can

She's kind of perfect
She's kind of everything I'm not
Yeah, she's an angel
And it's amazing how she's patient
Even more at times I'm not
She's my conscience
And who decided I'd be hers
I wanna hate them
Cos now I can't live without her

She changed my life
She cleaned me up
She found my heart
Like only a woman can
She pulls me up
When she knows I'm sad
She knows her man
Like only a woman can

Like only a woman can
And who decided I'd be hers
I wanna hate them
Cos now I can't live without her

Oh, and she changed my life
She cleaned me up
She found my heart
Like only a woman can
She pulls me up
When she knows I'm sad
She knows her man
Like only a woman can

Like only a woman can
Like only a woman can
Like only a woman can
