(Brian sings):

Tongue tied

Thoughts are restless

but i, I've tried, to forget this

but I, am so tired tonight take a breath

because i am

So high....

(christian le rossu):

I think you 're gonna leave me give me something to
believe in if i'm gonna try

I'm sick and tired of breathing when there's something
so deceiving in you eyes tonight.

(Both now):

Not now,

deal with it later

Right now,

It's just to complicated

It's on my mind but it's not the time

Why can't we deal with it later.

(Brian):

Strung out,

I'm hearing voices

&

they 're so loud

A crowd of noises

&

i'm too scared to lose,

Nothing I ever do pulls through

for you....

christian le rossu:

I think you 're gonna leave me give me something to
believe in if i'm gonna try

I'm sick and tired of breathing when there's something

so deceiving in you eyes tonight.

Both now :

Not now,
deal with it later
Right now,
It's just to complicated
It's on my mind but it's not the time
Why can't we deal with it later.

Christian:

Not now,
deal with it later
Right now,
It's just to complicated
It's on my mind but it's not the time
Why can't we deal with it later.

Both:

Not now,
deal with it later
Right now,
It's just to complicated
It's on my mind but it's not the time
Why can't we deal with it later.
