If it all should end today,
Did I throw it all away,
Is my legacy and memory enough to make me stay,
Threes a comfort in an end to life we didn't spend,
No apologies and no regrets lets do it all again.

Could be the sign of the times woah,
We see no light in the sky woah,
We need a spark to ignite what was right inside of us,
Let it come to life,
Could be the sign of the times woah,
Could be the time of out lives woah,
We nee a thrill to survive,
So let's will the thrill of life and come to life.

With the master of the plan,
The tickets in your hand,
Anything or anyone is right inside your grasp,
Hold onto it tight or throw it our tonight,
It doesn't matter what you do,
Its gonna be alright.

Could be the sign of the times woah,
We see no light in the sky woah,
We need a spark to ignite what was right inside of us,
Let it come to life,

Could be the sign of the times woah,
Could be the time of out lives woah,
We nee a thrill to survive,
So let's will the thrill of life and come to life.

Look into the life you exposed to,
Everything goes through,
A hundred million changes before the lights go out,
Until it does, were gonna light it up.

Let it come to life,
Could be the sign of the times woah,
We see no light in the sky woah,
We need a spark to ignite what was right inside of us,
Let it come to life,

Could be the sign of the times woah,
Could be the time of out lives woah,
We need a thrill to survive,
So let's will the thrill of life and come to life,
Could be the sign of the times woah,
Could be the time of out lives woah,
We need a thrill to survive,
So let's will the thrill of life and come to life
