It seems like only yesterday
I held you in my arms and said
You will never need to fear the dark

But unforeseen misery has come
Between your Mummy and me
We can love you more, now we're apart

Daddy, he's got to go away
'Cos there's just no other way
To live this through

Someday you'll learn to understand
This wasn't what I planned
For me and you
Sorry, love Daddy

Everyday is filled with pain
But never feel that you're to blame
Sometimes life breaks
In mysterious ways

I can make it up to you
Believe me, I am trying to
No matter what
You'll always be my babies

Daddy, he's got to go away
'Cos there's just no other way
To live this through

Someday you'll learn to understand
This wasn't what I planned
For me and you
Sorry, love Daddy

Daddy, he's got to go away
'Cos there's just no other way
To live this through

Someday you'll learn to understand
This wasn't what I planned

For me and you
Sorry, love Daddy

I'm sorry, love Daddy
