When we fall out  
I like to go driving in my car  
Listen to something ironic  
And end up in a bar

Get an earful of shit from a stranger  
Who's got a broken heart  
Weighting up what would be more painful,  
Staying with your man  
Or going back to her

Refrain:  
Doesn't everybody feel this way sometimes?  
It's a lose-lose situation  
For a shitty little clown  
You can never win with women  
It's pointless trying to try  
It's a lose-lose situation till the day you die

Everybody knows the score  
She'll be crying to the mother-in-law  
And I'll be sleeping out with the dog  
Must give interflora  
A call, a call, a call, a call...

Refrain:  
Doesn't everybody feel this way sometimes?  
It's a lose-lose situation  
For a shitty little clown  
You can never win with women  
It's pointless trying to try  
It's a lose-lose situation till the day you die

Ooooh... Ooooh la-la-la  
Ooooh... Ooooh la-la-la  
Ooooh... Ooooh la-la-la  
Ooooh... Ooooh la-la-la  
Ooooh... Ooooh la-la-la  
Ooooh...

Then we make up  
I'm walking on egg-shells for a day

And I'll clean the house  
And hope that I might get a lay  
I've been back to that drunken stranger  
And something that he says  
"Pack your bags, alright?"  
She'll be quiet when your dead

Refrain:

Doesn't everybody feel this way sometimes?  
It's a lose-lose situation  
For a shitty little clown  
You can never win with women  
It's pointless trying to try  
It's a lose-lose situation till the day you die

And it's a lose-lose situation till the day you die
