Nobody knows me, yet everyone knows my name
Some people judge me, not knowing that Iâ€™m the
same
Thanks for the offer, but I keep my old friends always
But then I get lonely counting the endless days

Are you here for me at all
Do you care for me at all
Well, this time now I know
I ainâ€™t standing alone no more

Cos all I want is love
Someone who can share the pain I feel
And the eyes that stare
Wonâ€™t stare at me no more

Cos all I need is time
Time for me to open up and show
The person I am
The person you think you know
You donâ€™t know, you donâ€™t know

Some heartfelt emotions creeping from deep inside
Cos being this person is all Iâ€™ve got left to hide

Were you here for me at all
Did you care for me at all
Last time I was told
I ainâ€™t standing alone no more

All I need is love
Someone who can share the pain I feel
And the eyes that stare
Wonâ€™t stare at me no more

And all I need is time
Time for me to open up and show
The person I am
The person you donâ€™t know
You donâ€™t know, you donâ€™t know
