I thought that love would conquer all  
But nothing could break my fall  
The moment when you left my side, oh baby  
And now there's nothing left to say  
Ever since you went away  
I been yearning for you deep inside

I can't believe that it's over  
In my arms is where you belong  
When I think about the love we shared  
How did we go wrong  
And how can I go on..  
Can I go on

### CHORUS

Sometimes you can't let go  
Of the love you thought was yours (yours)  
Will I ever get over cause I've come to know that  
It's so hard to carry on  
After the love is gone  
After the love is gone

If I had only had a clue  
That I'd end up losing you  
I might of held on to my heart, oh girl  
Taking for granted you'd be mine  
Til the end of time  
Has torn my world apart

And I can't believe that it's over  
In my arms is where you belong  
When I think about the love we shared  
How can we go wrong  
And how  
can I go on and on and on

### CHORUS

Sometimes you can't let go  
Of the love you thought was yours (mine and yours)  
Will I ever get over cause I've come to know that  
It's so hard to carry on  
After the love is gone

After the love is gone

I can't believe that it's over  
In my arms is where you belong  
When I think, think about the love we shared  
How can we go wrong  
And how  
can I go on on

#### CHORUS

Sometimes you can't let go  
Of the love you thought was yours (mine and yours)  
Will I ever get over cause I've come to know that  
It's so hard to carry on  
After the love is gone  
After the love is gone

After the love is gone  
Life must go on  
I gotta be strong  
After the love is gone  
I can't believe it  
But she's gone  
But I gotta be strong  
I gotta gotta gotta be  
Gotta gotta gotta be  
Gotta gotta gotta be strong  
After the love is gone
