[Eightball (Brian)]

Yeah, yeah one time for your mind
Suave House style baby
(Ooh) Eightball the Fat Mack
Brian McKnight (ooh)
We doing it like this

[Brian]

I can't remember why we fell apart
From something that was so meant to be, yeah
Forever was the promise in our hearts
Now, more and more I wonder where you are

[1] - Do I ever cross your mind anytime?
Do you ever wake up reaching out for me?
Do I ever cross your mind anytime?
I miss you

Still have your picture in a frame
Hear your footsteps down the hall
I swear I hear your voice driving me insane
How I wish that you would call to say

[Repeat 1]

I miss you
I miss you
(Oh, no more)
Loneliness and heartache
(No more)
Crying myself to sleep
(Oh no more)
Wondering about tomorrow
Won't you come back to me?
Come back to me

[Eightball]

Yeah, yeah
One-two check it out
Ooh baby I like the way you like to play with Big Ball
I'mma gonna cut my pager off

We don't need no clothes at all
Fall in love choppin' it up
You know me and I know you
Once the conversation get through
Ain't no secret what we gon do
Flippin' me and you in the S chiffon hay
Every day and if you was right here with me
It wouldn't be hard to say
I think about what we used to have
And how we used to be
Honestly, tell me the truth
You don't ever think about me

[Repeat 1 till end]
