I can't remember, why we fell apart
From something that was so meant to be
Forever was the promise in our hearts
Now more and more, I wonder where you are

Do I ever cross your mind, any time?
Do you ever wake up reaching out for me?
Do I ever cross your mind, any time?
I miss you

Still have your picture in a frame
Hear your footsteps down the hall
I swear I hear your voice, driving me insane
How I wish that you would call to say

Do I ever cross your mind, any time?
Do you ever wake up reaching out for me?
Do I ever cross your mind, any time?
I miss you
I miss you
I miss you

(No more)
Loneliness and heartache
(No more)
Crying myself to sleep
(No more)
Wondering about tomorrow
Won't you come back to me, come back to me?

Do I ever cross your mind, any time?
Do you ever wake up reaching out for me?
Do I ever cross your mind, any time?
I miss you

I miss you
I miss you
I miss you
