Undeniable just how God changed my life.
Unbeliveable that i walk into His marvelous light and.
I can't believe it's true just how He change my life .
Whenever i would pray unto His son.
Then He'd show me how salvation could be won yeah
yeah and.

(chorus)

One is for His loving you
Two He's better than a dream come true
Three because it's plain to see
that He's the greatest part of me and
Four i know that my spirit free
Five cause Jesus is a part of me
Whenever i believe His work is done Then i start back at
one
God ,He said to me pay attention to my words
Then you will find there is peace in everything you
heard and
if you should stray away from everything that you've
learned
Then i will bring you right back to the start
Cause i've written every word upon your heart yeah
yeah

(chorus)

starting back with His miracles just how He made me
right
He came and took,and change this simple lonely heart
of mine
He gave me Jesus Christ his son to stand the test of
time

(chorus)
