I've been knowin' you for a minute baby  
Everything you want girl I done did it baby  
Didn't put on the pressure, to get it baby  
'Cause you be too smart for that

I been thinkin' 'bout your lips lately  
I been thinkin' 'bout them hips, baby  
One thousand ways that'll drive me crazy  
What you got girl I want it

Ooh, so serious  
Every time you're around I feel the rush  
I have to cool for a minute, now I'm curious  
Let's get comfortable

No, baby don't tease  
Girl it's gettin' hot, just let it breathe  
I ain't come to beg but I'm here to please  
Let's get comfortable, yeah

Before I take you to the crib, baby  
Before I show you how I live, lady  
Takin' my time sexin' your mind  
Then I give it to your body  
Tell me what you know about that

I can do it how you like it girl  
Lights on is cool I can see it girl  
Lights off is cool I can feel you girl  
And I won't stop 'til you get enough

Ooh, so serious  
Every time you're around I feel the rush  
I have to cool for a minute, now I'm curious  
That's right, let's get comfortable

No, baby don't tease  
Girl it's gettin' hot, just let it breathe  
I ain't come to beg but I'm here to please  
Let's get comfortable, yeah

You know what I came to do

I know that you want me to  
Relax let me set the mood  
Break it down

Girl I can't wait much longer  
I feel it comin' on stronger  
I just can't take it no more  
I want you, I want you

Ooh, so serious  
Every time you're around I feel the rush  
I have to cool for a minute, now I'm curious  
That's right, that's right, let's get comfortable

No baby don't tease  
Girl it's gettin' hot, just let it breathe  
I ain't come to beg but I'm here to please  
Let's get comfortable, yeah

Ooh, so serious  
Every time you're around I feel the rush  
I have to cool for a minute, now I'm curious  
Let's get comfortable

No baby don't tease  
Girl it's gettin' hot, just let it breathe  
I ain't come to beg but I'm here to please  
Let's get comfortable, yeah

Let's get comfortable, let's get comfortable  
Let's get comfortable, oh  
Oh, don't tease me baby, don't tease me girl  
Darlin' let's get comfortable, let's get comfortable  
Let's get comfortable, oh yeah, oh
