Took some time to come around
Realise how I let you down
Bit too late for sorry now
My pride got in the way, yes it did

I thought I had it all figured out
I needed time away to work it out
And now that Iâ€™ve learned what itâ€™s all about
And all I need is you in my life

So Iâ€™m coming back home
Home where love is waiting for me
Been gone much too long
This is where I want to be
So Iâ€™m coming home, coming home
Cos home is where I belong

Somehow I lost my way
Mistakes I made I have to pay
It hurts to know still today
That I wasted so much time

And after all is said and done
Thereâ€™s more to life than having fun
There ainâ€™t no doubt youâ€™re the one

And all I need is you in my life

So Iâ€™m coming back home
Home where love is waiting for me
Been gone much too long
This is where I want to be
So Iâ€™m coming home, coming home
Cos home is where I belong

Oh, just to be in your arms is like heaven to me
Your love, your love is all that I need
So Iâ€™m coming back home
And I hope you forgive all my ignorance
So Iâ€™m coming home, hey coming home
Home is where I belong

So Iâ€™m coming back home
Home where love is waiting for me
Been gone much too long
This is where I want to be
So Iâ€™m coming home, coming home
Cos home is where I belong
