Moon needs the suns  
Then the earth exists  
tall trees will grow  
All because of mist  
Then there comes light  
Which is an awesome gift

Out of my eyes  
Visions of you appear

Discovery  
The world has yet to see  
What you mean to me  
Like a treasure unknown  
To man  
I'm so excited  
Where do I begin  
Ohhhhhhhh

Notice how birds fly so care free  
And picture how they can bring back memories  
And then there's the smile that can make someone's  
day  
When my song was incomplete, you filled the empty  
space

Discovery  
The world has yet to see  
What you mean to me  
Like a treasure unknown

To man  
I'm so excited  
Where do I begin  
Ohhhhhhhh

So now that I have seen  
An angel spread it's wings  
Go on, lay me down  
I can die now  
And ??  
You came around

There's a new love found  
I'm not alone  
Someone's at home  
Yeah

Discovery  
The world has yet to see  
What you mean to me  
Like a treasure unknown  
To man  
I'm so excited  
Where do I begin  
Ohhhhhhhh

Discovery  
The world has yet to see  
What you mean to me  
Like a treasure unknown  
To man  
I'm so excited  
Where do I begin  
Ohhhhhhh  
(Where do I begin)  
Ohhhhhhh  
Where do I begin
