Moon needs the suns

Then the earth exists

tall trees will grow

All because of mist

Then there comes light

Which is an awesome gift

Out of my eyes

Visions of you appear

Discovery

The world has yet to see

What you mean to me

Like a treasure unknown

To man

I'm so excited

Where do I begin

Ohhhhhhhh

Notice how birds fly so care free

And picture how they can bring back memories

And then there's the smile that can make someone's
day

When my song was incomplete, you filled the empty
space

Discovery

The world has yet to see

What you mean to me

Like a treasure unknown

To man

I'm so excited

Where do I begin

Ohhhhhhhh

So now that I have seen

An angel spread it's wings

Go on, lay me down

I can die now

And ???

You came around

There's a new love found

I'm not alone

Someone's at home

Yeah

Discovery

The world has yet to see

What you mean to me

Like a treasure unknown

To man

I'm so excited

Where do I begin

Ohhhhhhhh

Discovery

The world has yet to see

What you mean to me

Like a treasure unknown

To man

I'm so excited

Where do I begin

Ohhhhhhhh

(Where do I begin)

Ohhhhhhhh

Where do I begin
