(Verse 1)

Never wanted to touch you,
But it didn't work out that way,
Never wanted to kiss you,
Cause i knew that i feel this way,
Never thought that i find somebody,
Someone to share my dreams,
Now all that really matters is you want to be with me,

(Chorus)

Just want to spend my time with you,
Whenever we go whatever we do,
I don't know that you know,
I never felt the way i do,
That's why i wish we could shout it,
The dreams you dream they can come true,
Just want the rest of my days to,
End and begin with you.

(Verse 2)

Never was willing to make promises,

Promises are so hard to keep,
Always knew that if feel in love,
I fallen way too deep,
Never believe in fairy tales,
Fairy tales never come true,
And all it feels like i am dreaming whenever i dream of
you,

(Chorus)

Just want to spend my time with you,
Whenever we go whatever we do,
I don't know if you know what,
I never felt the way i do,
That's why i wish we could shout it,
The dreams you dream they can come true,
Just want the rest of my days to,
End and begin with you.
