Never Say Goodbye

(Verse 1)

When I see you, I see me
You're everywhere, everywhere I want to be
When I'm with you, it feels so right
I want to be with you, for the rest of my life
So come to me and take me as I am
For always starts right now

(Chorus)

You've given up your heart to me
You're all I want
It's so hard to believe
That I can't stop from crying
When you walk down the aisle to me
Everyone will know that you're more than just a part of
me
And we will be together.
Forever we will never say goodbye

(Verse 2)

You got my heart you know that
We've come to far and there is no turning back
This isn't fate it's destiny
This is the way it was meant to be
So come to me, take me as I am
For always starts right now

Chorus

(Bridge)

If I give my best to you (If I give my best to you)
If you give your best to me (If you give your best to me)
The love we share today, we'll share tomorrow
But there are no guarantees but if you feel like me
Then you'll never be lonely again.

Chorus
