Uh Uh Uh

Neither one of us can get to sleep
Cause what's on your mind
Is what's on my mind
Both of us know we just may regret it
And neither one of us can fight for truth
Cause u feelin me and im feelin u
And both of us hope we will never forget it

Cause we are closer and we touch
And the feeling gets too much
No need to hurry, no need to rush
And Im tellin you
Girl im tellin you

[1] - And im just givin it up to me
Im not just givin it up to u
And senses, hope we both know what to do
Thats good enough (thats good enough for me girl)
And im just givin it up to me
Im not just givin it up to u
And senses, hope we both know what to do
Thats good enough (thats good enough for me girl)

Neither one of us can shake the past
Are we movin to slow?
Im movin too fast
Cant touch us now, if we dont let it
And neither one us wants to slide to win
If forever was low and got to spin
And us can true if we just say it

So cause we are closer and we touch
And the feeling gets too much
No need to hurry, no need to rush
And I say to u girl i say to u

[Repeat 1]

Ohh what we have right here now baby

Is good for me is all good u
Is all we were waiting for
Take my hand
And i take u to that special place
Come with me to this open door

[Repeat 1]
