Joe:

Neither one of us can get to sleep,
'cause what's on your mind is what's on my mind,
And both of us know, we just might regret it.

Carl:

And neither one of us can find the truth,
'cause you're feeling me, and I'm feeling you,
And both of us hope that we'll never forget it.

Joe:

So we get closer and we touch,
And the feeling gets too much,
No need to the hurry, no need to rush,
And I'm telling, girl, I'm telling you.
You're not just giving it up to me,
I'm not just giving it up to you,
And since this is, what we both want to do,
That's good enough.

You're not just giving it up to me,
I'm not just giving it up to you,
And since this is, what we both want to do,
That's good enough.

Tyrese:

Neither one of us can shake the past,
Are we moving too slow, or moving to fast?
It can't touch us now, if we don't let it.

Tank:

And neither one of us, wants to slide to it.
If forever was now, and time would suspend,
And wishes came true, if we just said it.

Tyrese:

So we get closer, and we touch,
And the feeling gets too much
No need to hurry, no need to rush,
And I say to, girl I say to you.
You're not just giving it up to me,
I'm not just giving it up to you,
And since this is, what we both want to do,
That's good enough.

You're not just giving it up to me,
I'm not just giving it up to you,
And since this is, what we both want to do,
That's good enough.

Baby, baby
Brian:
Ohh, what we have right,
Now baby, good for me,
Girl, it's good for you,
And all we've been waiting have,
Take my hand, and I'll take you to that special place.
Come with me, through this open door.
You're not just giving it up to me,
I'm not just giving it up to you,
And since this is, what we both want to do,
That's good enough.
You're not just giving it up to me,
I'm not just giving it up to you,
And since this is, what we both want to do,
That's good enough.
I'm not gonna worry about what others may say or do,
As long as it's me and you baby,
I'm not gonna worry about what others may say or do,
As long as it's me and you baby,
