Jazz of Dru Hill - Here with Me

[Nokio]

You know Loving you Means more than words can say
but if I had to do it all over again
You're the one thing I wouldn't change
And that's for real

[Jazz]

Never before in my life
Through every hello every, good-bye
Have I ever fell so far so soon
Girl it's you
A beauty you are in my eyes
And every touch felt so right
It's taking me deeper into you

[Bridge]

And I would give my time, my soul, my love, My
everything
And every night no one, no where, nothing that can
compete
Cause you mean the world to me

[chorus]

Take away my car
Take away my clothes
Take away my fame
Take away my dough
And I'll be OK without it
If you're right here with me(right here with me)
Take away my house
Take away my jewels
My material things
Baby take that, too take that, too
I won't shed a tear without it
If you're right here with me

So many things I never knew about myself
So many things I never felt in no one else
You have shown me and it's only with you, baby
(Girl it's you)
Cause I know true happiness(yeah)

In you I've found(yeah)
I never felt(never, never)
And I've been around(I did it)
If I had the world to give you
You know that's what I would do
yeah

[Bridge]
[Chorus]

Listen girl, you know oh.....
Say I'll be OK if you're right here with me
I'll give any and everything just to (make you see)
Though I've been through it all, girl before you
It's your love that makes me complete
Do you believe me, baby

[Chorus]
Oh, yeah
Your love is all I need
