*[Chorus:]*

Hold me, Love me  
Givin' me all that you've got  
Tell me, truly  
Can I get in for a spot  
For so long I've waited for you to come and love me  
Don't waste my time  
Cos I need you to let me know if you want me to  
Do the things to you that no other can do  
(I want you to love)  
I want you bad  
And I won't lie  
And I can't deny  
That I want you tonight

*[Chorus:]*

Hold me, Love me  
Givin' me all that you've got  
Tell me, truly  
Can I get in for a spot  
I wonder what is it that turns me on when I'm next to  
you  
Can't figure out why I want you  
Is it lust or love  
Either one will do

I want you for myself and nobody else  
(Take the place of you)  
Right now  
Cos it is on  
So unplug the phone  
Cos I want you to hold me

*[Chorus:]*

Hold me, Love me  
Givin' me all that you've got  
Tell me, truly  
Can I get in for a spot  
(Can I get into your spot baby) [x2]  
Oh baby, you drive me crazy  
Put your arms around me baby  
And hold me now  
Thats what I wanna do (thats what I wanna do)  
Right now baby

I want you to hold me  
*[Chorus:]*  
Hold me, Love me  
Givin' me all that you've got  
Tell me, truly  
Can I get in for a spot *[x2]*
