I'll be missin' u, missin' u, missin' u  
I'll be missin' u, missin' u, missin' u  
I'll be missin' u, missin' u, missin' u  
I'll be missin' u, missin' u, missin' u,  
missin' u

Thinking back from yesterday  
All the things I could've said, but didn't say to  
you  
Should've begged you to stay  
Heard that you've moved on, heard you've  
been doing okay

Been thinking about you all the time  
Do you ever reminisce, do I be crossing your mind  
All the tears and wasted time  
Nothing's been the same since you went away

Girl I know that I used to be your man  
Used to have you here in the palm of my hand  
I let you slip away just like grains of sand

When I'm lying in my bed at night  
Wish I was holdin' you, wish I was touchin' you,  
baby  
I cry myself to sleep at night  
Wish I was kissin' you, instead of just missin'  
you

Girl I keep holdin' on, I keep holdin' on  
Girl I keep holdin' on, woah  
Girl I keep holdin' on, I keep holdin' on  
Girl I keep holdin' on, woah

Wish I could turn back the hands of time  
Inside me there's so many questions why  
Might still wanting to live a lie  
But in my heart I know it's just too late

It's just like staring up in the pouring rain  
I refuse to believe that I'll never see you again  
All that's going on inside my brain

That I can't seem to get it straight

'Cause girl I know that I used to be your man  
Used to have you here in the palm of my hand  
I let you slip away just like grains of sand and oh

When I'm lying in my bed at night  
Wish I was holdin' you, wish I was touchin' you,  
yeah  
I cry myself to sleep at night  
Wish I was kissin' you, instead of just missin'  
you

Girl I keep holdin' on, I keep holdin' on  
Girl I keep holdin' on, woah  
Girl I keep holdin' on, woah  
Girl I keep holdin' on, woah

And if I ever hurt you  
I didn't mean to treat you bad  
I think about the good times that we had  
And there's no way they can be gone

I'll be missin' u, missin' u, missin' u  
I'll be missin' u, missin' u, missin' u  
I'll be missin' u, missin' u, missin' u  
I'll be missin' u, missin' u, missin' u,  
missin' u

When I'm lying in my bed at night  
Wish I was holdin' you, wish I was touchin' you,  
yeah  
I cry myself to sleep at night  
Wish I was kissin' you, instead of just missin'  
you

Girl I keep holdin' on, I keep holdin' on  
Girl I keep holdin' on, woah  
Girl I keep holdin' on, woah  
Girl I keep holdin' on, woah

When I'm lying in my bed at night  
Oh, wish I was holdin' you, wish I was touchin'  
you, yeah  
I cry myself to sleep at night  
Oh, wish I was kissin' you, instead of just  
missin' you

Girl I keep holdin' on, I keep holdin' on  
Girl I keep holdin' on, I keep holdin' on  
Girl I keep holdin' on, I keep holdin' on

Girl I keep holdin'™ on, woah, yeah
