Some people think they've seen it.
But once they get in between it,
They find out that it's not the way
They hoped and they prayed it would be.
The stories are so dramatic;
The endings are sad and tragic.
You find yourself so far away,
A distance that love could not reach.

It's easy to find a someone,
A Mr. or Ms. for right now.
I promise you'll never leave,
Someone you can't live without.

Chorus:
Baby, I believe it's you.
I don't care what other people say or do.
It only matters what we have is true.
And I believe it's you.
Oh baby, I believe...

Some people say they have it.
Only to find what they have is habit.
Like waking from a dream,
And every cliché is true.
Is it better to love somebody & lose

Than never to love somebody who
Doesn't feel like you do.
Fairy tales don't always come true.

It's easy to find someone
A Mr. or Ms. for right now
I promise you'll never leave
Someone you can't live without.

Chorus:
Baby, I believe it's you.
I don't care what other people say or do.
It only matters what we have is true.
And I believe it's you.
Oh baby, I believe...

I didn't think I'd find love.
I wasn't sure til' right now.
I wasn't man enough til' you...
Til' you

Baby, I believe it's you.
I don't care what other people say or do.
It only matters what we have is true.
And I believe it's you.
Oh baby, I believe its you.
Baby, I believe... it's you
