I want you for myself
I don't wanna have to share you with nobody else
I want you, baby
Come to me
Let me give you all the lovin' that you need
I wanna touch your body
Feel your arms around me
I wanna be your fantasy, your dream come true
I wanna need your loving'
Make you my only woman
I wanna love you, love you, love you, baby
I belong to you

[1] - Until I feel your heartbeat pounding next to mine
I've got work to do
'Til every single star up in the sky
Knows that I belong to you
I want you satisfied
Anything your heart desires
Let my love provide
I want you baby
Only you and I swear
I'm gonna make you want me too

[2] - I'm gonna touch your body
Wrap your arms around me
I'm gonna be your fantasy
Your dreams come true
I'm gonna taste your lovin'
Make you my only woman
I'm gonna love you, love you, love you
Baby, I belong to you
