uh, oh!
every time you're giving it up
really soâ€¦!
pointing the finger, the feeling is a little
..asking questions why
they talk a real good game
but they don't know that the time is wrong
..and leaves you wanting more

chorus:
i got my post grad in sociology
so what i do it might seem strange
the things you don't know about your physiology
you don't have to fell ashamed!
let me show you how your pussy works
since you didn't bring it to me first
i have lots of things to show you if you're ready to learn
let me show you how your pussy works
bet you didn't know that it couldâ€¦!
i have lots of things to show you if you're ready to
learn!

you got to let him know that it's not going in
if he's not all about you, and get up without you
you don't need his ass around!
i'm gonna be your new best friend
for those times when you're by yourself
i'm great in the shower, i'm bad â€¦!
you can do it by yourself!

chorus:
i got my post grad in sociology
so what i do it might seem strange
the things you don't know about your physiology
you don't have to fell ashamed!
let me show you how your pussy works
since you didn't bring it to me first
i have lots of things to show you if you're ready to learn
let me show you how your pussy works
bet you didn't know that it couldâ€¦!
i have lots of things to show you if you're ready to

learn!

have you ever said oh god i came
more than twice know that theâ€¦
we only just began and the best it will come!

chorus: (x2)

let me show you how your pussy works
since you didn't bring it to me first
i have lots of things to show you if you're ready to learn
let me show you how your pussy works
bet you didn't know that it couldâ€¦
i have lots of things to show you if you're ready to
learn!
