Baby don't stop, let your body rock
While you listen to my jam knock
We can party all night
If you don't stop, let your body rock
While you listen to my jam knock

Friday night, after 8, smilin' face
Just got paid you how it feels
Gotta find the party, paint the town
Pick a hottie, go get down
Then come with the real, yeah

In and out, scream and shout
This is what it's all about
Baby girl, you're the one I came to see
On the floor, more and more
Show me what you came here for
Baby, come closer to me

Baby don't stop, let your body rock
While you listen to my jam knock
We can party all night
If you don't stop, let your body rock
While you listen to my jam knock
Let's groove tonight

Don't wanna think about tomorrow
Whatever comes what may
It's you and I here and now
Mr. DJ let the music play
Everybody's singing, everybody's swingin', yeah

In and out, scream and shout
This is what it's all about
Baby girl, you're the one I came to see
On the floor, more and more
Show me what you came here for
Come closer to me, yeah

Baby don't stop, let your body rock
While you listen to my jam knock
We can party all night

If you don't stop, let your body rock
While you listen to my jam knock
Let's groove tonight

Baby don't stop, let your body rock
While you listen to my jam knock
We can party all night
If you don't stop, let your body rock
While you listen to my jam knock

Don't stop tonight, relax your mind
And my jam will knock 'til the morning light
If it's feelin' right then take your time
And my jam will knock on us

Baby don't stop, let your body rock
While you listen to my jam knock
We can party all night
If you don't stop, let your body rock
While you listen to my jam knock
Let's groove tonight

Now throw your hands in the air
And wave 'em like you just don't care
All the honeys in the house
Let me hear you say oh yeah

If you don't stop, let your body rock
While you listen to my jam knock
Let's groove tonight

Don't stop tonight, relax your mind
And my jam will knock 'til the morning light
If it's feelin' right then take your time
And my jam will knock, let's groove tonight

Baby don't stop, let your body rock
While you listen to my jam knock
We can party all night
If you don't stop, let your body rock
