[verse]

Tell, tell me it isn't so
You say you have your reasons for leaving
You have to go
I watch you turn and walk away
And I'm searching to find
The right words to say
Hoping and praying you'll stay

[chorus]

So I'll kiss your love goodbye
I guess it wasn't meant to be
I gave my all, you've tried
And now I see
The love caught my eye
I went blind
And now it makes me cry
The only thing I can do
Is kiss your love goodbye

[verse]

Why, why should I look deep inside
To find where I went wrong, girl
'Cause after all, you'll still be gone
Oh how I've tried
Though I gave my best to you

You were determined to leave
And there's nothing I can do
Guess that none of my dreams won't come true

[chorus]

[bridge]

I won't ask you why
(I won't ask you why)
Give me back my pride
'Cause time will mend
The heart that you've broken, baby
I'll let you go
Though I love you so
I'll find a way to kiss your love goodbye

[chorus]

I guess it wasn't meant to be

I gave my all, you've tried

And now I see

The love caught my eye

I went blind

]Now it makes me cry

The only thing I can do

Is kiss your love

Is kiss your love

Is kiss your love goodbye

Goodbye
