(Maybe)

Maybe, time n' space are in a continuum

Like Einstein said

(Maybe)

And maybe, time travel might even be possible

But long after we're dead

(Maybe)

And maybe, the sun revolves around the earth

We don't think it do

(Maybe)

And maybe, serendipity brought you here to me

An' me to you

(Maybe)

Maybe, foresight might warn us that this thing here

Can't possibly last

(Maybe)

And maybe, just maybe, I want something more from
you

Than to get some ass

Maybe, there are things you would put me through

Maybe, we should do the things that lovers do

So let me love you with all that I've got

Let me love you from the top to the bottom

From the bottom to the top, let me hold you

Touch you, tease you, please you, let me love you

(Maybe)

Maybe, April showers don't bring May flowers

It's all been a lie

(Maybe)

Maybe, the sky ain't blue and may be Tiger might lose

And babies don't cry

(Maybe)

And maybe, Miles, Thelonus and Train

Weren't really that good

(Maybe)

And maybe, everyone that didn't place or show

Didn't give it all they could
(Maybe)

Maybe, foresight is telling you that
This here thing can't last
(Maybe)
Maybe, just maybe, I want something more from you
Than to get some ass

Maybe, there's some things I might put you through
Maybe, we should do the things that lovers do

So let me love you with all that I've got
Let me love you from the top to the bottom
From the bottom to the top, let me hold you
Touch you, tease you and please you
Let me love you, my brothers

Help me say that maybe, this is heaven sent
(Maybe, this is heaven sent)
Maybe, this could be as good as it gets
(Maybe, this could be as good as it gets)

Maybe, this is everything you need and more
(Everything you need and more)
Maybe, all that I've been waiting for
(All that I've been waiting for)

Maybe, this is just the way that it should be
(Just the way that it should be)
I've got you standin' right in front of me
(Standin' right in front of me)

Maybe, there are things
You would put me through
But maybe, your were made for me
And I was made for you

Let me love you, yes, with all that I've got
Let me love you from the top to the bottom
(Bottom to the top, givin' all I've got)

Let me love you with all that I've got
Let me love you from the top to the bottom
(Bottom to the top, givin' all I've got)
Let me love you, let me love you
Let me love you, baby
