(feat. Vanessa Williams)

[Vanessa]

They say it's a river, that circles the Earth
A beam of light shinin' to the edge of the universe
It conquers all
It changes everything

They say it's a blessing
They say it's a gift
They say it's a miracle and I believe that it is
It conquers all
But it's a mystery

[1] - Love breaks your heart
Love takes no less than everything
Love makes it hard

And it fades away
So easily

[Brian]

In this world we've created
In this place that we live

In the blink of an eye babe, the darkness slips in
Love lights the world
Unites the lovers for eternity

[2] - Love breaks the chains
Love aches for every one of us
Love takes the tears and the pain
And then turns it into the beauty that remains

[Vanessa]

Look at this place
It was paradise
But now it's dying
I'll pray for love

[Brian]

I'll take, my chances that it's not too late

[Vanessa]
[Repeat 1]

[Brian]
And it fades away so easily
Oh Oh Oh
