Dear, every time you're near
Unreal as it may seem, I step right out of a dream
Oh my, did you fall down from the sky
To cause my world to spin, now I'm back in love again

Marilie, I know you're the one for me
Yo te queiro a si
Every time I look into your eyes

Marilie, the most beautiful eyes ever seen
You're everything I'll ever need
You help me be all I can be
That's why I love you, Marilie

I feel like I could fly with your hand in my hands
I'm some kind of superman
See now you and I are here, still what goes up comes
down
I'll never let you touch the ground

Marilie, I know you're the one for me
Yo te queiro a si
Every time I look into your eyes

Marilie, the most beautiful eyes ever seen
You're everything I'll ever need
You help me be all I can be
That's why I love you, Marilie, Marilie

Marilie, I know you're the one for me
Yo te queiro a si
Every time I look into your eyes

Marilie, the most beautiful eyes ever seen
You're everything I'll ever need
You help me be all I can be
That's why I love you, Marilie

Marilie, I know you're the one for me
Yo te queiro a si
Every time I look into your eyes

Marilie, the most beautiful eyes ever seen
You're everything I'll ever need
You help me be all I can be
That's why I love you, Marilie
