First, first time I looked into your eyes
I saw heaven, oh heaven in your eyes
Everything I did before you wasn't worth my time
It should've been you, you all that time

I'd do anything and everything to please you
You know how much I'll need you, oh all my life
Baby you know, you know you're my one and only
All I wanna do is be together
Sugar, you know I'll never leave you lonely
Cos in your eyes, in your eyes I see forever

You're more than wonderful
More than amazing
The irreplaceable love of my life
You're so incredible
