When I see you, I see me
You're everywhere, everywhere I wanna be
When I'm with you, it feels so right
Wanna be with you, for the rest of my life

So come to me
Take me as I am
For always starts, right now

You've given up your heart to me, you're all I want
It's so hard to believe, that I can't stop from crying
When you walk down the aisle to me
Everyone knows that you're more than just, a part of
me
And we will be together, forever
We will never say goodbye

You've got my heart, you know that
We've come too far, there's no turning back
This isn't fate, it's destiny
This is the way, it was meant to be

So come to me
Take me as I am
For always starts, right now

You've given up your heart to me, you're all I want
It's so hard to believe, that I can't stop from crying
When you walk down the aisle to me
Everyone knows that you're more than just, a part of
me
And we will be together, forever
We will never say goodbye

If I give my best to you (Give my best to you)
If you give your best to me (Give your best to me)
The love we share today, we'll share tomorrow
But there are no guarantees (There are no guarantees)
If you feel like me (If you feel like me)
Then you'll never be lonely again

You've given up your heart to me, you're all I want

It's so hard to believe, that I can't stop from crying
When you walk down the aisle to me
Everyone knows that you're more than just, a part of
me
And we will be together, forever
We will never say goodbye
