Off the RIP don't trip

You got a family, think about them

Stop looking at me like he never seen it happen, on T.V

Heard you were jacking

Back it up chop, chop tear it up

Snatching longfish like taking taking candy from a

baby manny's gravy, uh

Maybe you shouldn't try to sell homes then you slowing

the drive throwing up

on back woods like you should you could

Get your dough

Spit

Red trunk mixed rat blue onions

Cut to the ATL pump

Represent the crypt we keep it crunk all day thick

If I could, get my nuts but

You gots to have energy

When you snatching these jinx out they wood grain 2K

Heading 99 mile per hour thinking these but head

Keep it old school youngin'

All black now let me put it in

This week is average this week big body biz

Get the green light if you have any problems, it's rare  
We get another more cooperative so I'm a hate hero  
Thinking cool drama but getting shredded like some

The po-po all in my grille, but it's still, all wood (wood)  
Stay to the ground with this thing called representing

Ain't nothing cooler on thirties and fours  
Catch this bitch in my rims

Let me pre-school you slow, ho  
And we'll be rolling you ain't knowing about this street

They fully loaded on currency and weapon  
And bids up to the power of suggestion  
That's off the RIP

the time with no guilt  
Follow the script  
Reverse this game like eights  
When I hit your state spitting game  
Leaving them hoes drip  
Like somebody taking prints and making monster grip  
Standing tall and then fall this game on gold stilts  
Busting at haters, that's off the RIP
