Three in the mornin', I can't be dreamin'
I'm wide awake, watchin' you sleepin'
And I realize there's no place that I'd rather be

I've reached out to touch you, my heart starts to race
At the touch of your skin, there ain't no mistake
And I'm lost in your eyes, I see all that I need to see

I'm feeling new things every time that I hold you
I'm telling you things, I would never have told you
I'm feeling my feet coming off, of the ground
I wasn't looking but look what I've found

I wasn't so sure at the start
Now I wanna be there wherever you are
And I can't deny how you got me feeling inside

If you think this is as good as it gets
I swear you haven't seen nothing yet
I promise you I'm gonna love you
The rest of my life, my life

You turn to kiss me when no one can find it
The taste of your lips, I get so excited
I'm losing my mind
The way that it's supposed to be

Everything that we do is a thing worth repeating
I only think of you when my heart is beating
I'm feeling my feet coming off, of the ground
I wasn't looking but look what I've found

I wasn't so sure at the start
Now I wanna be there wherever you are
And I can't deny how you got me feeling inside

If you think this is as good as it gets
I swear you haven't seen nothing yet
I promise you I'm gonna love you
The rest of my life

You cannot show me the way

But I didn't know what I wanted
Thank you for saving my life

I wasn't sure at the start
Now I wanna be there wherever you are
And I can't deny how you got me feeling inside

If you think this is as good as it gets
I swear you haven't seen nothing yet
I promise you I'm gonna love you
The rest of my life, my life

Three in the mornin', I can't be dreamin'
I'm wide awake, watchin' you sleepin'
I realize there's no place that I'd rather be
