(mmmm)

(yeah)

(alright)

(yeah)

(listen)

Baby can you put them bags down

Just wait hold on for a minute

Gotta say a couple things before you go

Even though i know that were finished

I don't want you to leave without knowin

Just where im comin from babe

I just wanna say

I made a big mistake

And now i gotta face the fact that i

Shoulda been a better man

The kinda man that you needed

Woulda been better off

If I'd done right by you

I coulda done this

I coulda done that but

I know i can't go back

Cause now it's just too late

Im sayin

Shoulda woulda coulda yeah

I can tell by the look on your face

You aint tryin to hear what im sayin

Maybe you done heard all of this before

Girl this aint no game that im playin

This may be the last chance i ever have

To talk to you before you go

So i gotta say

I made a big mistake

Girl you know it's killin me that i

Shoulda been a better man

The kinda man that you needed (all right)

Woulda been better off

If I'd done right by you

I coulda done this (and)

I coulda done that but

I know i can't go back (go back)  
Cause now it's just too late (now it's just too late)  
Im sayin  
Shoulda woulda coulda yeah

I should have done my best to love you (baby)  
I should have placed no one above you  
And now it's killing me more than you know  
Letting you go  
That's why i

Girl i know that i shoulda

Shoulda been a better man  
The kinda that you needed  
(coulda been a better man man to you baby)  
(shoulda been there for ya everytime you needed me  
everytime you called me)  
Woulda been better off  
If I'd done right by you  
(and you know that i)  
I coulda done this  
(i coulda done this)  
I coulda done that but  
(i coulda done that yeah)  
I know i can't go back  
(i know i can't go back baby)  
Cause now it's just too late  
(all i need to know is girl all i need to know is)  
Im sayin  
Shoulda woulda coulda yeah  
(do you still love me like you used to baby)  
(all the things i coulda done)  
(all the things i shoulda done)  
(sayin shoulda woulda coulda yeah)  
(yeah)  
(coulda been a better man to ya)  
(now i understand)
