ooooooooo...

ooooooooo...

Verse 1:

Do you ever think about me?
Do you ever cry yourself to sleep?
In the middle of the night when you awake
Are you calling out for me?
Do you ever really miss?
I can't believe i'm acting like this
I was crazy
How I still can feel your kiss

Chorus:

It's been six months, eight days, twelve hours
Since you went away
Yea yea...
I miss you so much and I don't know what to say
I should be over you
I should know better but it's just not the case
It's been six months, eight days, twelve hours
Since you went away

Verse 2:

Do you ever ask about me?
Do your friends still tell you what to do?
Everytime the phone rings,
Do you wish it was me calling you?
Do you still feel the same?
Or has time put out the flame?
I miss you...
Is everything ok?

Chorus

Verse 3:

It's hard enough just passing the time,
When I can't seem to get you off my mind
And where is the good hand goodbye
Tell me why...
Tell me why...

Chorus

Sing it for me....
oooooooo...(until music fades)
