I try to pull myself together,
One lie, tore us apart.
We left so many words unspoken.
You walked away with my heart,
And I cried, I cried.
Heaven knows how much I cried.
Could you find the strength within you,
To give me one more try.

If I called you, would you believe what I had to say,
And if I saw you, would you, turn and run away.
If I had my way girl, you'd be with me right now.
Someday, someday, somehow.
Someday, someday, somehow.

I thought that I could go on without you.
Guess what? I was so wrong,
And I realized how much I really love you,
And it's been far too long.
I know you cried, I know you cried.
Heaven knows how much you cried.
But can you find the strength within you,

To give me one more try.

If I called you, would you believe what I had to say,
And if I saw you, would you, turn and run away.
If I had my way girl, you'd be with me right now.
Someday, someday, somehow.
Someday, someday, somehow.

So come on, don't I get my one mistake.
Let's forget about yesterday for tomorrow,
I know we've found what's at the end of the rainbow,
And it's meant to be, it's meant to be,

If I called you, would you believe what I had to say,
And if I saw you, would you, turn and run away.
If I had my way girl, you'd be with me right now.
Someday, someday, somehow.
Someday, someday, somehow.

Someday, someway, somehow.
