What's up girl? I need to talk to you for a minute
I can't keep playin' myself like this
There's only one thing I wanna know
Should I stay or should I go?

It's not my fault that you made yourself a regretful past
But all I know is, it makes me look bad
When I'm holdin' your hand and you see old friends
you knew
And they walk away laughin', callin' me a fool

Now baby, I can't change the things you did before we
met
Even though I didn't know you
But it's hard for me to trust you even though girl, I love
you
So tell me what am I to do? yeah

Don't know if we would last
And if we do last can I erase the past?
Girl, can you tell me? I don't know
Should I stay or let it go?

Don't know if we're meant to be
And if we should be, could you live faithfully?
Girl, can you tell me? I don't know
Should I stay or let it go?

I think of the night that I made reservations just for two
But you gave your attention to someone across the
room
I should have known right then that things just weren't
right
But I couldn't see it 'cause love had me so blind

Now tell me how can I be so secure in lovin' you
When everybody's callin' me a fool
I can't keep holdin' on to broken promises from you
And I can't take no more from you, yeah

Don't know if we will last
And if we do last, can I erase the past?

Girl, can you tell me? I don't know
Should I stay or let it go?

Don't know if we're meant to be
And if we should be, can you live faithfully?
Girl, can you tell me? I don't know
Should I stay or let it go?

Baby, baby, time and time again I try to overlook the
pain
Couldn't think of losin' all we had to gain
Girl, if it takes me losing you, for happiness in me
I think that I might just have to let you go, oh

Why you playing those games, huh?
I don't see how you'll do it when I walk out the door

Don't know if we will last
And if we do last, can I erase the past?
Girl, can you tell me? I don't know
Should I stay or let it go?

Don't know if we're meant to be
And if we should be, can you live faithfully?
Girl, can you tell me? I don't know
Should I stay or let it go?

Don't know if we will last
And if we do last, can I erase the past?
Girl, can you tell me? I don't know
Should I stay or let it go?

Don't know if we're meant to be
And if we should be, can you live faithfully?
Girl, can you tell me? I don't know
Should I stay or let it go?

Should I stay or should I go?
Should I stay or should I go?
