Yeah, the sky is so much bluer now
Since you came into my life girl
Sunshine's so much brighter now
Since you opened up my eyes, girl

Chorus:

Yeah, everything in my life is sweeter
And it's all because of you
Yeah, you make everything in my life much sweeter
Let me say it, yeah, yeah
You make everything in my life much sweeter
(Much sweeter)
Sweeter yeah

My heart beats so much faster now
Now that you're my girl
The Earth seems so much smaller now
Now that you're my world, girl

Chorus:

Yeah, everything in my life is sweeter
And it's all because of you
Yeah, you make everything in my life much sweeter
Let me say it, yeah, yeah
You make everything in my life much sweeter
(Sweeter)
Sweeter yeah

Future's looking much brighter girl
Looking so much better than yesterday
I never thought I could be happy
Now my hapá¹—iness is here to stay, to stay
You make everything so much sweeter
So much sweeter, sweeter, sweeter, oh yeah
You make everything in my life much sweeter
Oh yeah, yeah, yeah, yeah
You make everything, everything, in my life much
sweeter
In my life, you make everything in my life much
sweeter
Yeah, in my life

Everything in my life is sweeter
Everything, everything
You make everything in my life much sweeter
You make everything in my life
Yeah
