Chestnuts roasting on an open fire  
Jack Frost nipping at your nose  
Yuletide carols being sung by a choir  
And folks dressed up like Eskimos

Everybody knows a turkey and some mistletoe  
Help to make the season bright  
Tiny tots with their eyes all aglow  
Will find it hard to sleep tonight

They know that Santa's on his way  
He's loaded lots of toys and goodies on his sleigh  
And ev'ry mothers' child is gonna spy  
To see if reindeer really know how to fly

And so I'm offering this simple phrase  
To kids from one to ninety-two  
Although it's been said many times, many ways  
Merry Christmas to, to you baby, oh my love

And so I'm offering this simple phrase  
To kids from one to ninety-two  
Although it's been said many times, many ways  
Merry Christmas, what I'm talking about is Merry  
Christmas  
Oh, Merry Christmas to you

No, baby don't say nothing  
Just let me love you like I've always wanted to love you  
girl  
I know it's cold outside  
But we got this fire right inside, right next to us here  
baby

I know it's cool  
If I touched you like you want me to touch right now girl  
Oh, I ain't playing now baby  
Oh, that you're next to me, feeling this next to you,  
gotta be next to you
