He was a King without a crown  
They hanged Him on His throne  
And nailed Him in the ground  
The prophet He upon the tree  
Sacrificed Himself for the whole world to see

He bled for you, He bled for me  
On that day, that day at Calvary  
It was a day, forget I never will  
It was the day the earth stood still

It was for real upon a hill  
The Savior gave His life so you and I could live  
He had to die to pay redemptions price  
It was the only day the Angels ever cried

He died for you, He died for me  
That lonely road on His way to Calvary  
It was the day forget I never will  
It was the day the earth stood still

Then came Sunday morning, oh, yeah  
The Angels sang and the stone, it rolled away  
It was the day, forget I never will  
It was the day the earth stood still

So wipe your weeping eyes  
'Cause He died for you and I  
He's coming back again  
Said, He's coming back again

Coming back again  
Coming back again  
Coming back again

Don't worry about a thing  
'Cause He's coming back  
Said He's coming back again  
Coming back again  
Coming back again

'Cause every time we sin

It's like we crucify Him again  
I gotta tell everybody that  
He's coming back again

From the mountains high, the valleys low  
I'm gonna shout loud so everyone knows  
That He's coming yeah, He's coming, yeah  
He's coming, He's coming back again

Don't worry about a thing  
'Cause He's coming back  
Said He's coming back again
