(No)

I remember the way you used to touch me all the time
I told you how I was the luckiest man alive
And now I hear you showin' off your new boy
And frontin' like everything's alright
I'll be damned if I let you know that I still find it hard to
sleep at night

Outside I'm smiling, inside I'm crying
I just keep denying till I get over you
(Oh)
Outside I'm smiling, inside I'm crying
(yeah oh)
I just keep denying till I get over you

Endless times I stayed up all night waiting for you to
call
Lying to myself 'cause you weren't thinking 'bout me at
all
My eyes are holding back the tears
My pride won't let you see me act a fool
'Cause I'll be damned if I let you know that I still feel
something for you

Outside I'm smiling, inside I'm crying
(Oh)
I just keep denying till I get over you
(I get over you, till I get over you, baby)
Outside I'm smiling, inside I'm crying
(Yeah, crying)
I just keep denying till I get over you
(Yeah, over you baby, oh)

Can't forget the way we touched
(Every day, every night, baby)
And the way we used to make love
(I still remember how it feels)
Baby, but now it's over and you're gone
(I've got to say "Goodbye")
Hey, because I know, I can't go on without you

Outside I'm smiling, inside I'm crying

(Oh, oh)
I just keep denying till I get over you
Outside I'm smiling, inside I'm crying
I just keep denying till I get over you

Outside I'm smiling, inside I'm crying
I just keep denying till I get over you
Outside I'm smiling, inside I'm crying
I just keep denying till I get over you

Outside I'm smiling, inside I'm crying
I just keep denying till I get over you
Outside I'm smiling, inside I'm crying
I just keep denying till I get over you
