(Six John)

Mommi you got a minute,
Just wanted to say i love the way your linen,
Is huggin your hips, one dimple when your grinnin',
No pretendin; im here to put my bed in (my bed in),
For real that's no kiddin (nope),
Complex fantasy, thoughts are forbidden (uh huh),
Just save those playful thoughts for the children(yeah),
Six John, Mr McKnight is about business,

(Brian McKnight)

Shes super fly but she don't know it,
She might be mad but she don't show it,
She stands alone above the rest,
She makes me pass the gamma test,
She hurts the lies but she don't tell it,
I wanna be loved,I wanna be right,
I wanna lay up with the same somebody every night,
I wanna be one,I wanna be real,
Ive got someone who feels the same way that i feel,
Im lookin for a U-turn girl, from up around the way,
U-turn girl, every night and every day,
U-Turn girl, if i never do the personality,
U-Turn girl, sounds good to me, sounds good to me,

(Six John)

Yo i double back (oh!) 360 degrees spin it,
Two-a-smooth steering wheel one finger in it,
Nineteens a touch, twenties a rub, twenty ones on that
luxury,
Its more than enough, pull up with a,
Your body kept it up, i never went Hollywood,
Just stepped it up,
So what i speak you should see it is true,
She loved the Modena but never seen em in blue!,
(yeah)

(Brian McNight)

You make me work but not that hard,
I might just let her drive my car,
Cos' she wont go disrespectin me,
She'll be my queen and come with me,

She'll be the one to give my all,
I wanna be loved, and I wanna be right,
I wanna lay up with the same somebody every night,
I wanna be one, I wanna be real,
I've got someone who feels the same way that I feel,
I'm lookin' for a U-turn girl, from up around the way,
U-turn girl, every night and every day,
U-Turn girl, the attitude of a personality,
U-Turn girl, sounds good to me, good to me,

(U-Turn girl, good to me),
(she's a U-turn girl, good to me, good to me)
(U-Turn girl, good to me),
(U-Turn girl, U-Turn girl),

(Fabulous)
Slow down rock be killin' em

I think I'm ready to wake up with the same somebody
So when they ask in the interviews, I can name
somebody
I used to gang some hotties
And get right without gettin' the names from hotties,
but
I'm bustin' a U-turn out the player lane,
Still struttin' smooth without the player cane,
Never Fabulous Brian McKnight connection
Two brothers that's throbbin' in the right direction

(Brian McKnight)
I'm lookin' for a U-turn girl, from up around the way, (up
around the way)
U-turn girl, every night and every day,
U-Turn girl, the attitude of a personality,
U-Turn girl, sounds good to me, good to me,

U-turn girl, from up around the way,
U-turn girl, every night and every day,
U-Turn girl, the attitude of a personality,
U-Turn girl, sounds good to me, good to me, good to
me

(hey, yeah, yeah, yeah)
