Tell me when was the last time  
You were truly satisfied  
And if Iâ€™m wrong then  
Tell me that it wasnâ€™t with me.  
Thought itâ€™s been a good while,  
Girl you know Iâ€™m still qualified  
To lay hands on your body like it  
Used to beâ€¦And OOOOOH

I didnâ€™t know you were missinâ€™ me  
So much, girl you knew what  
Would happen when we touched  
Iâ€™m not in a hurry thereâ€™s no rush.  
And Iâ€™m not gonna stop  
Tilâ€™ you get enough

Whatâ€™s my name? can you say it?  
Whatâ€™s my name? stop playinâ€™  
Whatâ€™s my name? I need to hear it  
Whatâ€™s my name? can you feel it?  
Whatâ€™s my name? so excited  
Whatâ€™s my name? that you like it  
Whatâ€™s my name? I need to hear you say it

See I know what you want,  
Girl you know I aim to please  
I could put in less work but  
Thatâ€™s not my styleâ€¦Yeah  
Pushinâ€™ past real good  
Takinâ€™ you to ecstasy  
When itâ€™s all said &  
Done I wanna see you smile  
Oh how I long to see you smile

I didnâ€™t know you were missinâ€™ me  
So much, girl you knew what  
Would happen when we touched  
Iâ€™m not in a hurry thereâ€™s no rush.  
And Iâ€™m not gonna stop  
Tilâ€™ you get enough

Whatâ€™s my name? can you say it?

What's my name? I'm not playin'  
What's my name? I need to hear it  
What's my name? can you feel it?  
What's my name? so excited

What's my name? that you like it  
What's my name? I need to hear you say it

Baby all I want to do is put a  
Smile upon your face  
Make it last so that it  
Cannot be erased  
When you want this to stop  
Just let me know  
Gonna take it nice and slow  
I'm gonna tell you that  
I'm also Glad you came  
And I hope you feel the same

Every time you want  
You know where to go  
What's my name?! Sugar  
What's my name?  
What's my name?  
What's my name?

Your feelin' me & it's not just words  
I'm whispering things in your ear  
That you never heard  
OOOO Yeah  
What's my name?  
I got your back girl,  
It feels so right  
I missed you girl  
Everyday everynight  
What's my name?  
Oooohhhh  
Whats my name?  
Say it Say it Say it  
What's my name?  
Yeah Say it  
What's my name?  
Yeah Say it  
What's my name?  
Yes, Yes, Yes  
What's my name?  
What ever you want  
Whatever you need  
Yeah I'm there  
What's my name  
OOOOOooh

What's my name?  
OOOOOooh  
What's my name?  
Stay right there baby, baby  
Girl don't move a little bit, NOO!  
Let me look at your  
Pretty eyes for a little while  
OOOOO  
What's my Name  
Baby girl  
I just wanna ooooohh  
At first I gonna  
At first I'm gonna
