Some fellas only think of themselves  
Themselves and no one else  
Don't care if it's good for you  
Fall asleep before you finished too  
Let me be your Tarzan swingin' from a tree  
Triple W dot Superhero dot me  
I will show things, you've never seen

All about you  
What you wanna do?  
Everything you like  
Pullin' on your hair  
Keep it right there  
All night, all night  
Can't go too long  
Put it down strong  
Till your work is done  
Somebody said  
"Relax, don't do it  
When you wanna come"

I'll do whatever you want me to  
For as long as you want me to  
Whatever's clever, baby I'm prepared  
I got a camera, can we take it there?  
I can be a Tarzan swingin' from a tree  
Triple W dot Superhero dot me  
I will show you things, you've never seen

All about you  
What you wanna do?  
Everything you like  
Pullin' on your hair  
Keep it right there  
All night, all night  
Can't go too long  
Put it down strong  
Till your work is done  
Somebody said  
"Relax don't do it  
When you wanna come"

Don't stop, get it, get it  
I'm just playin' unless you're with it  
In ninty-five, I told you 'bout the floor  
When we go down on the floor  
The ratio is one to four  
I don't see nothin' wrong  
This could go on & on  
It's a privilege to have you here with me, hey

All about you  
What you wanna do?  
Everything you like  
Pullin' on your hair  
Keep it right there  
All night, All night  
Can't go too long  
Put it down strong  
Till your work is done  
Somebody said  
"Relax don't do it  
When you wanna come"

It's all about you  
What you wanna do?  
Everything you like  
Pullin' on your hair  
Keep it right there  
All night, all night  
Can't go too long  
Put it down strong  
Till your work is done  
Somebody said  
"Relax don't do it  
When you wanna come"

All about you  
What you wanna do?  
Everything you like  
Pullin' on your hair  
Keep it right there  
All night, all night  
Can't go too long  
Put it down strong  
Till your work is done  
Somebody said  
"Relax don't do it  
When you wanna come"
