Whenever You Call

- M. Carey - W. Afanasieff -

BM:

Love wandered inside

Stronger than you

Stronger than I

MC:

And now that it has begun

We cannot turn back

BM:

We can only turn into one

both:

I won't ever be too far away to feel you

And I won't hesitate at all

Whenever you call

And I'll always remeber

The part of you so tender

I'll be the one to catch you fall

Whenever you call

And I'm truly inspired

(And I'm)

Finding my soul

(Finding my soul)

There in your eyes

(There in your eyes)

And you

(And you)

Have opened my heart

And lifted me inside

By showing me yourself

Undisguised

both:

I won't ever be too far away to feel you

And I won't hesitate at all

Whenever you call

And I'll always remember

The part of you so tender

I'll be the one to catch you fall

Whenever you call

(MC: Uuuuuh)

BM:

And I will breathe for you each day

Comfort you through all the pain

Gently kiss your fears away

MC:

You can turn to me and cry

Always understand that I

Give you all I am inside

both:

I won't ever be too far away to feel you

And I won't hesitate at all

Whenever you call

I won't ever be too far away to feel you

And I won't hesitate at all

Whenever you call

And I'll always remember

The part of you so tender

I'll be the one to catch you fall

Whenever you call

Whenever you call

Whenever you

Call
